**THE 18 MONTH CHECK-UP**

Please respond to the following items by marking a "+" if your child exhibits the behavior and a "-" if your child does not exhibit the behavior. This information will assist your child's pediatrician in performing a comprehensive evaluation of his/her language development.

- \_\_\_\_\_ 1. Does your child use some 1-2 word questions ("Where kitty?" "Go bye bye")?
- \_\_\_\_\_ 2. Does your child imitate simple sounds and words?
- \_\_\_\_\_ 3. Does your child put 2 words together ("more cookie", "no juice", "mommy book")?
- \_\_\_\_\_ 4. Does your child point to at least three different body parts upon request?
- \_\_\_\_\_ 5. Does your child follow one step directions accurately: "Give dolly a drink", "Bring the ball to daddy", etc?
- \_\_\_\_\_ 6. Does your child point to pictures in a book as they are named: "Find the Ball", etc?
- \_\_\_\_\_ 7. Does your child understand location words: "in", "on", "under", etc?
- \_\_\_\_\_ 8. Does your child answer "yes" or "no" either verbally or by shaking his/her head?
- \_\_\_\_\_ 9. Does your child say the name of the object in response to "What is this?" or at least vocalize as if he is answering?
- \_\_\_\_\_ 10. Does your child use many different consonant sounds of the beginning of words?
- \_\_\_\_\_ 11. Does your child do simple pretend play, like feeding a doll or combing doll's hair?
